only she knows the answers only he can keep her alive after discovering her boss has been murdered professor gigi brennan becomes the killer s next target she is the only one who can complete a complicated scientific formula and the murderer won t hesitate to come after her next if she doesn t cooperate she quickly learns that her best chance at survival is detective hudson kramer now with the clock ticking can she and hud uncover who s terrorizing her before their dreams of a shared future are over before they ve even begun

Bring Her Back

2018-03-21

i want paula or her body i don t care which this was the command of her wealthy ruthless father but abel cain who undertook the search found that he had been presented with only one side of the ugly truth there were others looking for the hidden heiress too and among them were the forces of jealousy greed and murderous vengeance when an island orgy held by paula s friends backfired and the two faced revelers uncovered a surprise coffin cain found the key to his puzzle one that pointed to something terribly simple and utterly evil this new novel an ace original presents some saucy humor stalking females and a bevy of up to no good sophisticates thrown against background of fast action and awesome terror it will keep you guessing and breathless all the way

Bring Back Her Body

2012-04-01

an innovative recasting of us legal and economic history through the power of clothing for those who lacked power and status in american society what can dresses bedlinens waistcoats pantaloons shoes and kerchiefs tell us about the legal status of the least powerful members of american society in the hands of eminent historian laura f edwards these textiles tell a revealing story of ordinary people and how they made use of their material goods economic and legal value in the period between the revolution and the civil war only the clothes on her back uncovers practices commonly known then but now long forgotten which made textiles clothing cloth bedding and accessories such as shoes and hats a unique form of property that people without rights could own and exchange the value of textiles depended on law and it was law that turned these goods into a secure form of property for marginalized people who not only used these textiles as currency credit and capital but also as entree into the new republic s economy and governing institutions edwards grounds the laws relating to textiles in engaging stories from the lives of everyday americans wives wove linen and kept the proceeds enslaved people traded coats and shoes and poor people invested in fabrics which they carefully preserved in trunks edwards shows that these stories are about far more than cloth and clothing they reshape our understanding of law and the economy in america based on painstaking archival research from

fifteen states only the clothes on her back reconstructs this hidden history of power tracing it from the governing order of the early republic in which textiles legal principles flourished to the textiles legal downfall in the mid nineteenth century when they were crowded out by the rising power of rights

Only the Clothes on Her Back

Whirlwind

2014-05-01

brilliant oh my word you can book after book after book but every so often a gem will emerge and this is one of them totally blown away with how good the storyline is and that conclusion never saw it coming goodreads reviewer she threw open the door running to the crib when she looked inside she gasped the world around her went silent inside there was nothing but a small stuffed elephant where was her baby when young single mother hannah is found murdered by the banks of a twisting oklahoma creek her one year old daughter sleeping in a stroller near her body the small town of dead woman crossing reels in horror detective kimberley king recently relocated from new york to oklahoma with her young daughter jessica can't ignore the similarity of hannah's death to the case of katie james the woman that the town of dead woman crossing is named after katie was murdered in front of her small daughter in 1905 on the banks of the same creek and it seems that someone is drawing inspiration from the crime could this killer be a copycat but as she interviews suspects kimberley is met with blank faces and closed lips in a small town people won't talk and when she pursues a promising lead her own family turn their back on her kimberley isn't afraid to ask questions but when she receives a threatening note she realises that as a single mother to a young daughter she might be putting herself dangerously in the killer's sights a gripping atmospheric crime thriller inspired by true events about a town on the edge of collapse and a murder that shakes the community dead woman crossing is perfect for fans of rachel caine lisa regan and jane harper readers are loving dead woman crossing this book is simply excellent through and through the lead character of kimberley king is destined to become one of the great characters in the genre the dialogue is punchy and begs you to just go for one more chapter and the atmosphere is phenomenal i truly felt like i was in the town where it was all taking place the wind brushing my face as i hear the wheat stalks sway j r adler is a dynamite talent and the first book in this series was a grad slam so i am beyond excited to see where this series goes if you like thrillers then scratch that if you like reading then you owe it to yourself to pick this up it is one hell of an amazing ride goodreads reviewer i was captivated from the beginning i could hardly put the book down loved it 5 stars b is for book review really enjoyed this book can't wait for the next one in the series it was unputdownable i read it in one sitting it was tense and full of action that kept me entertained and engaged in the story i had my suspicions but i was wrong love that when you don't expect the bad guy or the ending very good book and i highly recommend bonnie's book talk very gripping how this story comes together is just brilliant and kimberley is so sassy can't wait for book 2 once you start you won't want to stop goodreads reviewer the end is completely unexpected and i can't wait to read the next book goodreads reviewer this book will grab you from its first pages king is a lead character that women can relate to it's a great book and looking forward to seeing more of king and walker in this series goodreads reviewer i was drawn in from the very first page and was totally engrossed until the

very surprising ending i cannot wait for the next one to come out goodreads reviewer you have to read this if you are a fan of well written suspense that leaves you breathlessly turning the pages dead woman crossing by j r adler exceeded my expectations and i can t wait for what this author writes next goodreads reviewer a compelling read with some interesting characterisations and it certainly left me wanting to read more about kimberley sam and dead woman crossing goodreads reviewer
