now nearly 50 years old making it one of the oldest sporting venues used in professional sports but the current arena was not the first madison square garden and the area has a history as an entertainment center dating back to the 19th century ironically its location on the less crowded fringes of manhattan in the 19th century helped establish it as a place for hucksters like p t barnum to hold events in fact a previous garden was one of new york city s tallest buildings in the early 20th century and it was bankrolled by business titans like j p morgan and andrew carnegie madison square garden the history of new york city s most famous arena chronicles the history of one of new york s most iconic landmarks along with pictures of important people places and events you will learn about msg like never before in no time at all
