I Was Amelia Earhart

2011-12-07

in this brilliantly imagined novel amelia earhart tells us what happened after she and her navigator fred noonan disappeared off the coast of new guinea one glorious windy day in 1937 and she tells us about herself there is her love affair with flying the sky is flesh there are her memories of the past her childhood desire to become a heroine heroines did what they wanted her marriage to g p putnam who promoted her to fame but was willing to gamble her life so that the book she was writing about her round the world flight would sell out before christmas there is the flight itself day after magnificent or perilous or exhilarating or terrifying day noonan once said any fool could have seen i was risking my life but not living it and there is miraculously an island we named it heaven as a kind of joke and most important there is noonan

Amelia Earhart

2006-09

an easy to read biography of the female aviator who was the first woman to fly alone across the country

Amelia Earhart

2012-02-29

women must try to do things as men have tried when she was eight years old amelia earhart built a roller coaster and flew through the air she loved to watch daredevil pilots fly loops in the sky amelia decided to pilot a plane herself and became one of the first women to learn to fly she broke flight records and in 1932 was the first woman to fly across the atlantic ocean alone the whole world admired her courage and daring amelia earhart disappeared while trying to set a new record flying all the way around the world at the equator but her pioneer spirit inspired many others to follow in her path

Amelia Earhart: The Turbulent Life of an American Icon

2010-11-23

when amelia earhart disappeared over the pacific in 1937 she was at the height of her fame fascination with earhart remains just as strong today as her mysterious disappearance continues to inspire speculation in this nuanced and often surprising biography acclaimed aviation historian kathleen c winters moves beyond the caricature of the spunky precocious pilot to offer a more complex portrait drawing on a wealth of contemporary accounts airline records and other original research this book reveals a flawed heroine who was frequently reckless and lacked basic navigation skills but who was also a canny manipulator of mass media winters details how earhart and her husband publisher george putnam worked to establish her as an international icon even as other spectacular pilots went unnoticed sympathetic yet unsentimental this biography helps us to see amelia earhart with fresh eyes

Amelia Earhart

Amelia Earhart

2006

distinguished by grace self assurance and a spirit that welcomed adventure amelia earhart made her mark on aviation history with daring feats and record breaking journeys from the moment she first set foot in an airplane she knew that her destiny was to fly impelled by the freedom beauty and sheer pleasure of flying earhart refused to accept the prevailing view that women were not meant to pursue such nontraditional endeavors as piloting airplanes years later when she successfully landed her single engined lockheed vega in ireland after taking off from north america she became the first woman to fly solo across the atlantic ocean and the second person of either gender to do so after charles lindbergh other accomplishments followed including being the first person to fly alone from hawaii to california her disappearance on the final leg of her attempt to circumnavigate the globe has added to earhart s mystique but her achievements in life left a legacy that outshines the unsolved mystery of her death women who dare amelia earhart explores the life of a brilliant and courageous aviatrix who contributed greatly to the aviation industry and to the advancement of opportunities for women dozens of photographs and historical images illustrate the story of a woman who dared to live according to her own principle that to live fully requires courage to take some risks

Amelia Earhart

2000-01-15

when amelia earhart disappeared on july 2 1937 she was flying the longest leg of her around the world flight and was only days away from completing her journey her plane was never found and for more than sixty years rumors have persisted about what happened to her now with the recent discovery of long lost radio messages from earhart s final flight we can say with confidence that she ran out of gas just short of her destination of howland island in the pacific ocean from the beginning of her flight a series of tragic circumstances all but doomed her and her navigator fred noonan authors elgen m and marie k long spent more than twenty five years researching the mystery surrounding earhart s final flight before finally determining what happened they traveled over one hundred thousand miles to interview more than one hundred people who knew some part of the earhart story they draw on authoritative sources to take us inside the cockpit of the electra plane that earhart flew and recreate the final flight itself because elgen long began his own flying career not long after earhart s disappearance he can describe the equipment and conditions of the time with a vivid first hand accuracy as a result this book brings to life the primitive conditions under which earhart flew in an era before radar with unreliable communications grass landing strips and poorly mapped islands amelia earhart the mystery solved does more than just answer the question what happened to amelia earhart it reminds us how daring early aviators such as earhart were as they risked their lives to push the technology of the day to its limits and beyond
