Sonatina 1982 more than 60 years experience in playing the clarinet has led to a very personal and idiosyncratic review of the repertoire from the point of view of being both a player and a programmer the author has endeavoured to find works for unusual combinations involving the clarinet this book includes a few orchestral solos and several vocal works both chamber and operatic but it is focussed on chamber music and includes gems from the repertoire for the standard wind quintet the clarinet features as a solo instrument in duos with a surprisingly large variety of instruments and in mixed trios quartets and so on to larger ensembles during the course of one year the reader will be exposed to 366 works probably some unfamiliar by 245 different composers the author hopes it will whet the appetites of students teachers and concert organizers alike
